A Message from the Imam

As Salam Alaykum (Peace be upon you):

First of all, I am so grateful for the opportunity to serve the community in Murfreesboro Tennessee. I pray that God will help all of us to work together to build a stronger community through faith and knowledge.

The first sentence Prophet Mohamed received from his Lord was, "Proclaim or read, in the name of thy Lord and Cherisher, Who created" (96, 1). And He taught us to ask Him, "Oh my Lord advance me in knowledge" (20, 114).

God requires us to be fair to others as he instructed us in the Holy

Quran, "Oh you who believe, stand out firmly for God, as witnesses to fair dealing, and let not the hatred of others to you make you swerve to wrong and depart from justice." (5, 8).

I would be more than pleased to help anyone to have a clear understanding about anything stated in the Quran or about the Islamic faith, so that he or she may have a clear opinion, regardless of the outcome, because I believe that God wants us to help each other to find the truth.

Thank you

Sheikh Ossama Bahloul
